

Mr. Parker is a Certified Industrial Hygienist, a Certified Safety Professional, and an Associate in Risk Management. He holds a M.S. degree in System Safety Management and a B.S. degree in Industrial Hygiene/Chemistry. He has over 30 years of Environmental Health and Safety experience with expertise in industrial hygiene, chemical and physical agent exposure assessments, indoor air quality, regulatory compliance, occupational safety, human health risk assessment, due diligence, and EHS expert testimony. He is broadly accomplished across a variety of industries, including heavy manufacturing, defense, aerospace, pharmaceutical, energy, chemical mining, and maritime.

Mr. Parker was commissioned an Industrial Hygiene Officer in U.S. Navy and progressed from a staff industrial hygienist to Safety, Health and Environmental Manager for a Ship Repair Facility. He left active duty in 1992 and became an Environmental, Safety and Health Consultant for an insurance brokerage and a DOE contractor. He was most recently the Safety, Health and Environmental Manager for Chemical Manufacturer. He is currently a National Program Director for ATC Group Services, a nationwide engineering and environmental services company. He retired from the Naval Reserves in 2008 as a Commander (O-5) having served as an Industrial Hygiene Officer for Surface, Air, and Marine forces.

He has also served the EHS profession by rising through all officer positions in the ASSE Augusta and ASSE Atlanta Chapters to Area Director for the Georgia and North Florida chapters. He is currently the Director of Communications for the AIHA's Florida Local Section, Secretary of the ASSP's Pensacola Chapter, and Secretary of the AIHA's National Safety Committee.
